HOW TO USE THE TIME TABLE

Trains at a Glance, is a handy guide brought out every year by the Ministry of Railways for the convenience of regular intercity and long distance travellers as well as foreign and domestic tourists. The timings of all the Mail/Express trains operated by Indian Railways are indicated in this book. However, the tables do not indicate all the stoppages of a train - only stoppages at important stations are shown. This publication does not include the timings of passenger (slow) trains, through and slip coach services. For these details, please refer the Zonal Timetables.

The Tables in this book will give you details about the departure and arrival timings of trains, the stoppages at major stations, their days of service, classes of accommodation, distance in kilometres and availability of pantry cars.

A step-by-step guide to help you find the right Table.

Method I

Using the Station Index.

- Go to the Station Index on page 9. This Index lists out all the stations appearing in the tables, in an alphabetical order.
- Important stations have various destination stations listed under them. The table numbers are given alongside the destination stations. Numbers of the trains connecting these stations are also mentioned for your reference.
- If destination stations are not listed under it, the table numbers will be specified against the originating station itself.
- Go to the relevant table, and choose the most convenient train.

Method II

Using the Train Number Index.

When you know the Train Number

- Go to the Train Number Index on page 40, where train numbers are given in an ascending order, along with train names.
- Locate your train number and go to the table number given alongside.

Method III

Using the Train Name Index.

When you know the Train Name

- Go to the Train Name Index on page 46, where train names are given in an alphabetical order, along with train number and table number.
- Locate your train number and go to the table number given alongside.

Method IV

Using the Route Map with Table Numbers.

Passengers travelling between intermediate stations, can easily locate the relevant table using the Route Map with Table Numbers.

- Go to the Route Map on page 8.
- Locate your starting station and trace the route to your destination station.
- The numbers along the route indicate the table numbers.

How to use this index to locate the right table

1. The Station Index lists all the stations mentioned in this Timetable, in an alphabetical order.
2. Important stations have various destination stations listed under them. The table numbers are given alongside the destination stations, in **Magenta colour**. The numbers listed in black denote the train numbers connecting these stations.
For instance, if you are travelling from Ahmedabad to Mumbai, you will first have to locate your starting station Ahmedabad, then look for the table numbers (in **Magenta**) and train numbers (in **black**), listed alongside your destination station: Mumbai.
3. If a destination station is not listed under your starting station then look whether the pair of stations are listed in the reverse direction.
For instance, if you are travelling from Amritsar to Jhansi, you will find Jhansi is not listed under Amritsar. In the reverse direction Amritsar is listed under Jhansi and Table No.4 is indicated. So the table you should refer to for travel from Amritsar to Jhansi is Table No. 4A.
4. Destination stations are not listed under smaller stations. Instead you will find the table numbers mentioned in **Magenta**, against the station itself.
5. To help you locate the station in the Indian Railways Map easily, corresponding Map Reference Numbers are mentioned in **Blue** boxes against select stations.
For instance, if you are trying to locate Ahmedabad in the Map, you will find B6 listed alongside. This means, you will have to look in the square formed by B on the horizontal axis and 6 on the vertical axis in the Indian Railways Map.

Advance Reservation

To help you plan your journey well in advance, Indian Railways offer you the facility of Advance Reservation. About 97% of the advance reservation centres are computerised, making it possible for you to book your ticket from anywhere to anywhere. Given below are the answers to your questions on advance reservation, changes in travel plans, booking of special trains/carriages, etc.

Can I book a ticket from Nagpur to Bangalore at Howrah?

Yes, you can. In fact, you can book your ticket for any train on the Indian Railways network, from any originating station to any destination* at any of the 1637 Computerised Reservation Centres, across the country. With the networking of New Delhi, Mumbai, Kolkata, Secunderabad and Chennai Passenger Reservation Systems, you can now book your onward and return journey tickets from any Computerised Reservation Centre nearest to you - not just from major railway stations. This networking makes reservation of tickets faster and simpler.

Reserved tickets can also be obtained by accessing the website www.irctc.co.in. Payments can be made directly through the website. Please follow the instructions posted on the website and on **Page 256**.

**Reservations can be made subject to distance restrictions and availability of quotas*

How many days in advance can I reserve my ticket?

You can reserve your ticket 90 days in advance, excluding the date of journey at the train originating station. At intermediate stations where the train arrives the following day, reservation can be done 91 days in advance. In the case of some intercity day express trains, the advance reservation period is less.

How do I know the reservation status of my ticket?

The reservation status will be clearly indicated in your ticket. If your ticket is confirmed, your coach and berth numbers will be mentioned on your ticket in all classes other than First Class and AC First Class. For these, the

word "Confirmed", will be printed alongside the class of travel. If your ticket is in RAC (Reservation Against Cancellation) / Waitlisted status, the same will be mentioned on the ticket.

Note: Passengers are requested to kindly note that while every effort will be made to ensure a comfortable, hassle-free journey, Indian Railways are not liable to compensate a passenger due to non-provision of reserved accommodation or for any losses suffered due to late running of trains and other such unintended eventualities which are not wilful or deliberately perpetrated.

Can I board the train with an RAC?

You can board the train with an RAC ticket. You will be provided with sitting accommodation initially and allotted a berth (in case of passengers not turning up) in the train.

How can I board a train in the reserved coach if I am not able to get a waitlisted ticket?

Yes. If you don't have any ticket, you may approach the Train Superintendent/TTE after purchasing an unreserved ticket from the booking office as specified in the following table. The TTE will allot the accommodation, subject to availability,

Category of Train	Class of Travel	Min. Class of Ticket required for boarding the train at originating and intermediate Stations
i) Rajdhani/Shatabdi	IA, FC, 2A, 3A, ACC	1st Class Ordinary
ii) Jan Shatabdi	ACC, 2S	1st Class Ordinary 2nd Mail/Express
iii) Mail/Express	FC, IA, 2A, 3A, CC, SL, 2S	1st Class Ordinary 2nd Mail/Express
iv) Garib Rath Express	3A, CC	2nd Mail/Express

However, in case you have a second class ticket and could not get reservation in sleeper class and desire to travel in any upper class, you may approach the on-board ticket checking staff, who can upgrade your ticket accordingly subject to availability of accommodation except in Rajdhani/Shatabdi Express trains.

Introduction of train enquiry call centre:

How do I find out the current status of my unconfirmed ticket?

You can contact the Enquiry Counters at your nearest Computerised Reservation Centre or call the Interactive Voice Response System, available at major stations, Remember to always quote the 10 digit PNR Number indicated on the upper left hand corner of your ticket, to find out the current status.

The current status of your ticket can also be obtained from the Indian Railways Passenger Information **Website:** www.indianrailways.gov.in. This site also provides real-time information relating to availability of seats (and berths in a train even between a pair of stations), timetable and train fares etc. For general information on Indian Railways, passengers can access the Indian Railways **website :** www.indianrailways.gov.in

Integrated Train Enquiry System call centres are functioning from different locations and are catering to the train related enquiry needs of the passengers across the country. Passengers can get basic enquiry services like arrival/departure/late running of trains, fare, PNR status, accommodation availability in different trains and classes, train between stations etc. by dialing a universal number '139' without suffixing any STD code. This number can be accessed from any type of phone (land line, mobile, WLL etc.). Value Added Services like ticket/hotel/taxi booking, SMS/Fax alerts etc. will be introduced shortly.

Tatkal Scheme

What do I do if I cannot plan my journey in advance?

Though it is always advisable to plan your journey well in advance, there may be times when this is not possible. For such situations, Indian Railways have introduced the **Tatkal Scheme** in reserved second sitting (2S), Sleeper Class, AC Chair Class, 3-Tier AC and 2-Tier AC Classes in almost all Mail/Express trains.

Tatkal Booking starts two days in advance excluding the day of journey i.e. for journey on 3rd, the booking would be starting at 8 a.m. on 1st.

No proof of identity is required to be produced by the passengers seeking reservation under Tatkal Scheme, neither at the time of booking nor during the journey.

The broad features of the revised Tatkal Scheme are as under:

1. To meet the urgent travel requirement of passengers who plan their journey at short notice, Tatkal reservation facility has been provided in Sleeper Class, Air-Conditioned Chair Class, 3 AC & 2 AC classes in almost all Mail/Express trains including special trains, which can be booked even on Internet.
2. The advance reservation period under this scheme is two days excluding the day of journey.
3. No proof of identity is required to be produced by the passenger seeking reservation under Tatkal scheme, neither at the time of booking nor during the journey.
4. The tatkal charges have been fixed as a percentage of fare at the rate of 10% of basic fare for second class and 30% of basic fare for all other classes subject to minimum and maximum as given in the table below:-

Class of Travel	Minimum Tatkal Charges (in Rs.)	Maximum Tatkal Charges (in Rs.)
Second (sitting)	10.00	15.00
Sleeper	75.00	150.00
AC Chair Car	75.00	150.00
AC 3 Tier	200.00	300.00
AC 2 Tier	200.00	300.00
Executive	200.00	300.00

The above charges will be levied uniformly both in peak period and non-peak periods.

5. Refund on cancellation of Tatkal tickets.

A flat refund of 25% of total fare charged on the ticket, excluding tatkal charges is granted on cancellation of confirmed tatkal ticket, which are presented for cancellation upto 24 hours before the schedule departure of the train. However, full refund of fare and Tatkal Charges will be granted on the tickets booked under this scheme in the following circumstances:-

- (i) If the train is delayed by more than 3 hours at the journey originating point of the passenger & not the boarding point if the passenger's journey originating point and boarding point are different.
 - (ii) If the train is to run on a diverted route and the passenger is not willing to travel;
 - (iii) If the train is to run on diverted route and boarding station or the destination station or both the stations are not on the diverted route.
 - (iv) In case of non-attachment of coach in which Tatkal Accommodation has been earmarked and the passenger has not been provided accommodation in the same class.
 - (v) If the party has been accommodated in lower class and does not want to travel. In case the party travels in lower class, the passenger will be given refund of difference of fare and also the difference of Tatkal charges, if any.

6. The reservation under this scheme is available only upto the time of preparation of charts.

The Up-gradation Scheme

- With a view to optimise the utilisation of available accommodation in train, a scheme to upgrade **full-fare** paying passengers to the higher class **without any extra charge** against the available vacant accommodation is available in all Mail/Express trains having **sleeping accommodation**.
 - The passengers are required to give the option for being considered for upgradation. If no option is given at the time of filling up of requisition form, the same is treated as "yes" and passenger(s) can be considered for upgradation.
 - The passengers for upgradation are selected **automatically** (except in cases where the passenger has shown his unwillingness to be upgraded) on random basis by the System at the time of preparation of reservation charts.
 - All the passengers on a ticket are upgraded together.
 - It is not done for block booking transactions.
 - If a passenger, who has been upgraded, cancels his ticket, cancellation charges of the original class only are payable. It is advisable to **avail the facility** (by exercising the option in the affirmative) and always to **check the status** (coach/berth numbers) before boarding the train.

KNOW YOUR TICKET

- 1 The Passenger Name Record (PNR) Number printed on your ticket is a unique number. Quote this number to check the status of your ticket.
- 2 Indicates the train number, date of journey, the distance for which the ticket is issued and the number of adults and children on your ticket.
- 3 Refers to the class of accommodation in which you intend to travel. Such class of accommodation is abbreviated as below.
IA-First AC; 2A-2-TierAC Sleeper; 3A-3-TierAC; CC-AC Chair Car; FC-First Class; SL-Sleeper Class; II-Second Class Seat.
- 4 Indicates the originating and destination station of your journey as well as the station up to which you have sought a reservation. The name of such stations are displayed in both English and Hindi.
- 5 Indicates the confirmed status of your ticket. Viz. Coach No. A2, Berth/Seat No. 34, Sex: M (Male)/F (Female), Age : 38. In case you have AC First Class or First Class Ticket, the coach number or seat/berth number is not displayed. Such passengers may ascertain their actual accommodation status from the Reservation Chart.
- 6 Indicates your waitlisted position. Two such waitlist numbers are indicated: the first, is the **running waitlist number** and the second, the **current waitlist number** at the time of booking your ticket. Can I get refunds across the counter?

In most cases, if your tickets are surrendered for cancellation **within the prescribed time limits**, you can get refunds across the counter.

What are the prescribed time limits?

1. Where the ticket issuing and journey commencing stations are the same and in cases where they are different (like return/onward tickets), the ticket should be surrendered at the journey commencing station within the following time limits:

Distance of your journey	Time limit for cancellation (After the scheduled departure of the train)
Up to 200 kms.	3 hrs.
201 to 500 kms.	6 hrs.
Over 500 kms.	12 hrs.

2. If the ticket has been issued for travel from some other station, refund can be obtained at the ticket issuing station before the train departs.

3. Refund can also be obtained from a station other than the ticket issuing and journey commencing stations. In such cases, the ticket should be surrendered during working hours, before the preparation of Reservation Chart. Refund will be admissible subject to verification.

For trains departing between **21.00** hours and **06.00** hours, you can get a refund either within the prescribed time limits or within four hours of opening of the Reservation Office, whichever is later.

What about refunds after the prescribed time limits?

If you have not cancelled the tickets within the prescribed time limits, you can approach the **Deputy Station Superintendent**

(Commercial)/Station Manager or Chief Reservation Supervisor of nominated stations. They are authorised to grant refunds upto 30 days from the date of journey on tickets issued from their stations by condoning the delay in surrendering the tickets for cancellation. You must also satisfy the **Station Manager** that your ticket is not used.

Suppose I am unable to approach the concerned authorities, what do I do?

In such cases, you must obtain a **Ticket Deposit Receipt (TDR)** from the nearest major station within **30 days** from the date of scheduled travel. You must then submit an application in the prescribed form (Printed on the back of TDR) to the **Chief Commercial Manager (Refunds) of the Zonal Railway** to which the Ticket Deposit Receipt-issuing station belongs.

This application must be submitted within 90 days from the date of your journey. The refund officer will examine the case on merit and, if decided, refund will be sent to you by a Station Pay Order (to be encashed at station) or Money Order or Crossed Cheque.

Will the entire amount be refunded or will I lose some money?

The fare you paid for your ticket will be refunded after deducting cancellation charges.

How much will be deducted as cancellation charges?

The amount deducted is based on the time of cancellation and the status of your ticket. Detailed explanations are given below:

For cancellation of confirmed tickets more than one day in advance of the scheduled departure of the train, excluding the date of journey, the minimum cancellation charges based on the class of travel are as follows:

Flat cancellation charges per passenger	Class of your ticket
Rs.70/-	AC First/Executive Class
Rs.60/-	AC Chair Car/ First Class/ AC 2 Tier/AC 3 Tier
Rs.40/-	Sleeper Class
Rs.20/-	Second Class

For cancellation of confirmed tickets **less than 24 hrs** and upto **four hours** before the scheduled departure of the train, the cancellation charges will be **25% of** the total fare paid by you.

For cancellation of confirmed tickets **less than four hours** before the scheduled departure of the train and upto the prescribed time limits as mentioned earlier, after actual departure of the train, the cancellation charges will be **50%** of the fare paid by you, subject to flat cancellation charges for each class.

For cancellation of RAC/Waitlisted tickets up to the prescribed time limits, **full refund** of fare will be given, after deducting the clerkage charge per passenger. If you are having a ticket with several legs of journey, if the first leg of the journey is confirmed the whole ticket will be treated as a confirmed ticket for purposes of applying cancellation/refund rules. On the other hand if the first leg of the journey is in the waiting list, even if the all the other legs of onward journey are confirmed, the whole ticket will still be treated only as waitlisted ticket for purposes of granting refund.

Rail Travel Concessions

Railways provide travel concessions to various categories of travellers, like students, sports persons, scouts and guides, farmers, industrial workers, teachers, senior citizens, handicapped persons, etc. For easy reference, we have drawn up a Rail Travel Concession Table, showing details of travellers eligible for concession, amount of concession and the conditions, if any, for availing the concession. The Table is divided into two parts. "Part A" contains those concessions which are available directly at stations & booking/reservation offices by producing the necessary documents. "Part B" contains those concessions where the persons should approach the designated Commercial Officers of the Railway in the Area, Division or Zonal Railway Headquarters. After verifying the eligibility, the Officers issue necessary authorization letter on the basis of which, the Station Managers & Booking/Reservation offices issue concessional tickets.

If you are eligible for any of the concessions, please remember...

1. Concession is admissible on basic/mail/express fares only and

not on 'Ordinary' fares applicable to Passenger trains, superfast surcharge, reservation fee and safety surcharge. In case of Rajdhani/Shatabdi/Jan Shatabdi trains the concession shall be admissible in the total charges of these trains.

2. All types of concessions can be availed only when tickets are purchased across the counter at Stations & Reservation/Booking offices. No one is granted concession on the train.
3. Availing two different types of concessions by the same person for the same journey is not permissible.
4. The concessional ticket cannot be changed to a higher class even if you are willing to pay the difference of fare.
5. In certain cases where concession is admissible in First Class but not in AC 2-tier, concession tickets for AC 2- tier can be purchased on payment of concessional fare for First Class plus the difference of actual fare of First class and AC 2-tier.
6. Concession is not admissible for a journey where the cost of travel is borne by Central State Governments/Local Bodies/Corporations or Govt. Undertakings, Universities, etc.
7. Some of the concessions are admissible subject to the minimum distance of journey which have been specified in the relevant categories.
8. It may be noted that the general and broad information about availability of concessions has been provided in the following pages, and is only indicative. This is not a substitute for the concerned Tariff books on Railway Concessions which contain detailed information, procedure, conditions, prescribed formats and certificates needed for availing such concessions.
